About Lionheart Events

Lionheart Events (LHE) is a forward-thinking company built on the foundational values of innovative design and meticulous execution for high-end events. With over a decade of experience, LHE has a proven track record of successfully launching, strategically positioning, and consistently elevating both private and corporate events, not only within Ghana but also internationally.

LHE proudly serves a diverse range of industries, including luxury, travel, retail, wine and spirits, technology, fashion, consumer goods, lifestyle, and philanthropy. Our extensive portfolio showcases an array of extraordinary events, from intimate baby showers and significant birthday celebrations to large-scale festivals, civic ceremonies, impactful brand activations, dynamic live sites, comprehensive conferences, prestigious award shows, and impactful fundraising galas. A highlight of our annual calendar is the exclusive Cirque de Soir which will be held this year (2025) in December.

At Lionheart Events, we are dedicated to becoming the premier event management company in Africa. We achieve this by consistently exceeding our clients' expectations, implementing uniquely imaginative concepts, and delivering unparalleled service at every turn.
